

WRITING FOUNDATIONS: ACADEMIC PREPARATION BOOT CAMP

eAOP
**EARLY ACADEMIC
OUTREACH PROGRAM**

JULY 13–15, 2018

WHAT IS IT?

This 3-day/2-night residential program is designed for rising 10th and 11th graders who would like to get a head start on their upcoming year. “Writing Foundations” will introduce and build upon the student’s academic abilities through rigorous writing instruction and creative hands-on experiences and activities. Both 10th and 11th grade years are critical for college preparation and a solid academic foundation is important for success.

With the support of EAOP staff and UCLA undergraduates, participants will leave the program prepared to overcome the rigors of challenging academic courses. Participation is limited to current 9th and 10th grade EAOP students and students from partner organizations.

WHO IS ELIGIBLE?

2. Must complete and return an application and unofficial copy of their transcript by Wednesday, June 13, 2018
